COACHING STAFF

The 2016-2017 season was the 3rd of Kevin App's tenure as Head Coach at Williams College, winning 53 games in that span. This past season, after a league campaign that saw Williams finish in the NESCAC

Finals, App helped guide the Ephs to the 2017 DIII Final Four, the 8th Trip to the Final Four in program history.

With Coach App as head coach, the Ephs have had 4 All-NESCAC performers, 2

All-Region honorees and 1 Academic All-American.

Prior to coming to Williams, App was an assistant at the United States Military Academy (4 seasons), where he helped the Black Knights post their first winning record in 28 years, and Cornell University (1 season), where he assisted his alma mater as they reached the Sweet 16, won the Ivy League Championship, and set a league record with 29 wins.

Coach App will be assisted during the clinics by his coaching staff, Brian Emerson (Williams '12) and Justin Bradley (Guilford '13), as well as current and former Ephs.

For any additional questions please contact Kevin App at kma2@williams.edu or Justin Bradley at jb24@williams.edu.

CLINIC OVERVIEW

A Message from Coach App:

"Our team is built on unselfishness, energy and enthusiasm. Our clinics strive to teach basketball and create an environment with the same foundation. We look forward to working with you, helping you grow as a player and person!"

This clinic is intended for players who are serious about playing at the collegiate level. Participants should expect quality instruction, a high level of competition, and a great deal of individual attention. Each session of the clinic will be run like a Williams practice, emphasizing team play, fundamentals, and offensive skill development.

Information and Registration:

The Elite Clinic will begin with registration in Chandler Gymnasium **from 8:30am-9:00 am.** and the clinic will conclude by **4PM**. **Tuition is \$150**, which includes instruction, a reversible practice jersey and lunch on campus.

A **\$50 nonrefundable deposit** will reserve a participant's place with the full balance due at registration prior to the clinic.

Many participants use their clinic experience as an early college visit. This provides an opportunity to sample campus life and dining, while becoming familiar with the Williams campus, community, and coaching staff.

WILLIAMS COLLEGE

Founded in 1793, Williams College is the second oldest institution of higher learning in Massachusetts. The College's 2,000 students are taught by faculty noted for the quality of their teaching and research, and the achievement of academic goals includes active participation of students with faculty in their research. Students' educational experience is enriched by the residential campus environment in Williamstown, MA, which provides a host of opportunities for interaction with one another and with faculty beyond the classroom. Admission decisions are made regardless of a student's financial ability, and the college provides grants and other assistance to meet the demonstrated needs of all who are admitted.
